### **Rules of Operation and By-Laws**

#### **1. Preface:**

The County Local Emergency Planning Committee (LEPC) serves the Oconto County Local Planning District which was established by the Wisconsin State Emergency Response Commission on 17 July 1987. - **10/21/2009 State of Wisconsin Statutes 323.14** Emergency Planning – Duties of Counties
- **10/21/2009 State of Wisconsin Statutes 323.60** Emergency Planning – Duties of Committees

LEPC meetings will be presided over by the Chairperson who must be a member of the Committee. Only one elected position in the LEPC will be held by the Chairperson.

The Vice-Chairperson will carry out the duties and responsibilities in the absence of the Chairperson and will hold only one elected position in the LEPC. In the event the Chair and Vice-Chair are absent and there is a quorum, a Temporary Chairperson may be elected by members present to Chair the current meeting.

**b. Oconto County Emergency Coordinator**

In accordance with the requirements of SARA Title III, Section 301 (c) (3) Emergency Planning and Notification, the Oconto County Emergency Coordinator will be designated by the (LEPC) Committee per **323.60** Wis. Stats. and will serve at the pleasure of the Committee. The Oconto County Emergency Coordinator will undertake those duties as assigned by the county's hazardous material plan created under SARA Title III, and other responsibilities and duties assigned by SARA Title III, Section 303 (Notification) and the (LEPC) Committee. The Oconto County LEPC has designated the County Emergency Management Director as the Oconto County Emergency Coordinator due to the Coordinator's involvement with the LEPC through County funding of SARA monies issued by the State and reviewed by the County Emergency Management Committee.

**c. Coordinator of Information**

In accordance with the requirements of SARA Title III, Section 301 (c), a Coordinator of Information will be designated by and serve at the pleasure of the Local Emergency Planning Committee. The Coordinator of Information will undertake those duties as outlined under SARA Title III, Section 301 (c) and other responsibilities and duties assigned by the Committee. A Deputy Coordinator of Information may also be designated by the LEPC. **d. Secretary**

The Committee Chairperson or head of any Committee or Sub-Committee shall designate a Secretary to assure proper minutes are kept of all meetings. Such minutes shall be forwarded to the Coordinator of Information for the required distribution. These minutes will include a roll call and all motions made during the open meeting as protocol designates through Roberts Rules of Order, Oconto County Code of Ordinances (2.115).

**5. Meetings:**

**a. Policy**

All meetings conducted by the LEPC, its Committees or Sub-Committees, in order to ensure an informed public, will be conducted in conformance with the Wisconsin State Statutes pertaining to the Open Meetings Laws. These laws include providing a public meeting notice issued 24 hours in advance (Wis. Stat. 19.84 (3), and preserving the minutes of each meeting (Wis. Stat. 19.88 (1).

**b. Location**

The LEPC will establish a normal meeting location within Oconto County. Meetings which require jointly related business or coordination of activities with other LEPCs of the SERB will be the exception. All meetings will be held in conformance with the Open Meetings Laws.

**c. Dates and Times**

A normal meeting time and date will be selected by the Committee and may be held quarterly (or at least annually per state or federal requirements). The Chairperson may call special meetings with at least seventy-two (72) hours public notice prior to the event.

**d. Emergencies**

When a release of a substance covered by the notification requirements of Title III, Section 304 has occurred, is occurring, or is imminent, an emergency meeting (in accordance with WI Stats. 19.84 (3)) of the LEPC may be called by the Chairperson. All reasonable attempts will be made through the media to notify the public of the meeting and the agenda of such meetings will be limited to the present emergency conditions.

**6. Agenda Items:**

Agenda items will be submitted at least five (5) working days prior to meetings to the Coordinator of Information. The agenda will be organized and distribution made to Committee Members, the media and others upon request at least twenty-four (24) hours prior to the meeting.

**7. Public Involvement:**

The agenda of every LEPC meeting will include time for public input and comments on a first-come, first-served basis. Comments may be limited to a certain time frame and public input above thirty (30) minutes per meeting approved by a majority roll call of the committee. The LEPC shall not act on comments made during public comment section of the agenda and that if action is needed, shall place the matter on the next agenda for discussion and action in compliance with the open meeting laws.

**8. Quorum:**

Fifty percent (50%) of the Members should be in attendance at any meeting of the LEPC to constitute a quorum. In the absence of a Member causing an Alternate Member to be entitled to vote, the Alternate Member shall count towards the quorum. In the event that less than 50% of Members and Alternate Members as stated above are present, but at least 33 1/3% of them are in attendance, the Chairperson or Vice-Chairperson may, for the purpose of conducting LEPC business at that meeting, declare a quorum to be present.

**9. Voting:**

A majority vote of Members present where a quorum exists will be needed for passage. Alternate Members approved by the SERB who are attending a committee meeting in the absence of primary Members will have voting rights. Associate members are non-voting members of the LEPC.

Also, the person holding the position in charge of the Hazardous Materials Response Team (representative of contracted service Marinette Fire Haz-Mat and Valley Environmental) will automatically become a member of the LEPC. This will ensure continuous representation of the HazMat Team.

**c. Status**

Full membership and Associate membership is recognized in the LEPC. Due to time constraints and distance traveled, the LEPC Chairperson may award some members an Associate member title to remain on the committee. The status of an Associate membership is given to keep open, two-way communications in the fields represented. This associate status fulfills federal requirements and also provides a continuous flow of information to and from local LEPC members.

**d. Attendance**

Any member who shall fail to attend four (4) consecutive meetings of the LEPC without being excused from any such meeting by an officer, or without having been represented by his or her alternate, shall cease to be a member of the LEPC. The member shall be notified by the Committee Chairperson, in writing, of their removal from the committee. A copy of the letter shall also be sent to the individual's sponsoring agency.

**11. Alternates:**

Each member of the LEPC may nominate one Alternate Member from his or her Group, who, upon confirmation by the LEPC and SERB, shall be entitled to attend and participate in all meetings of the LEPC.
